

Breakfast Club

Monday - Friday *8:30AM - 8:45AM*

We offer a free breakfast every morning for our students, knowing that a nutritious start to the day boosts concentration, energy levels, and cognitive function, which supports better learning outcomes.

The program runs each morning at the kitchen window by the basketball court, offering cereal, milk, fruit, yoghurt, and toast.

We would like to acknowledge the fantastic support of 'Kickstart for Kids' and our dedicated volunteers.
